(Approved at the Eighth Plenary Session, 14 September 1955)
RESOLUTION XIV

UTILIZATION OF AVAILABLE FUNDS

The Directing Council,

Having studied the report of the Director regarding the total available funds of the Bureau as of 31 December 1954, amounting to $273,593.75, an unusual surplus that cannot be expected in the future, owing to the low amount of outstanding quota arrearages;

Taking into account the proposals of the Director to the effect that, of the aforesaid amount, $173,593.75 be utilized for the establishment of a Building Reserve Fund, for the installation of a new elevator at Headquarters, and for an increase in the allocation for the antimalaria campaign;

Bearing in mind Resolution XLIII of the XIV Pan American Sanitary Conference, which authorized the Director to apply $100,000 of the existing surplus to antimalaria activities,
and the fact that the malaria problem, whose definitive solution demands concerted action on the part of all agencies and organizations interested in the welfare of the Hemisphere, merits prior attention over the other public health problems; and

Noting the recommendations contained in Resolution V adopted by the Executive Committee at its 25th Meeting,

RESOLVES:

1. To approve the recommendations of the Director, concurred in by the Executive Committee at its 25th Meeting, regarding: the establishment of a Building Reserve Fund in an initial amount of $100,000; the installation of a new elevator in one of the Headquarters buildings at a cost of $19,000; and an increase in the allocation for the anti-malaria campaign in the amount of $54,593.75, plus any savings that may be realized from the installation of the elevator.

2. To authorize the Director to utilize as much of the Building Reserve Fund referred to in the foregoing paragraph as may be required in the event that additional funds should be necessary for the intensification of the malaria eradication program.

(Approved at the Eighth Plenary Session, 14 September 1955)
RESOLUTION XV

The Directing Council,

Having examined Official Document No. 12, submitted by the Director of the Pan American Sanitary Bureau and containing the Proposed Program and Budget of the Pan American Sanitary Organization and the World Health Organization for the Region of the Americas for the Year 1957;

Bearing in mind that the Proposed Program and Budget of the Region of the Americas is submitted to the Directing Council, as Regional Committee of the World Health Organization, for review and submittal to the Director-General of the World Health Organization for consideration in drafting his budget for 1957; and

Taking into account the fact that the Proposed Program and Budget of the Pan American Sanitary Organization for 1957
is a provisional draft that will serve as the basis for the preparation of the Proposed Program and Budget to be submitted by the Director to the 28th Meeting of the Executive Committee for review and revision, and to the IX Meeting of the Directing Council of the Pan American Sanitary Organization in 1956 for approval,

RESOLVES:

1. To approve the transmittal of the Proposed Program and Budget of the World Health Organization for the Region of the Americas for 1957, and to request the Regional Director to transmit it to the Director-General of the World Health Organization, so that he may take it into consideration when preparing the WHO budget for 1957.
